X200 - Lifter

Handset Lifter User Guide

The handset lifter fits on your telephone, designed exclusively for use with our wireless headset. It lets you answer and end calls when you are away from your desk.

Features

- 1) **Lifter cord:** Connecting to lifter jack of the wireless headset base.
- 2) **Adjustable Support bar:** Slide the bar in place to support the handset properly.
- 3) **Ring detection sensor:** Detects in-coming calls.
- 4) **Lifter height adjustment lever:** Adjusts the height of the lifter arm. The lever can be adjusted with 3 steps to lift the handset properly.
- 5) **LED:** In-use LED lighting.

Accessories Included

- 1) External microphone sensor.
- 2) Adhesive tape.
