Digital Amplifier and Headset Training Adapter

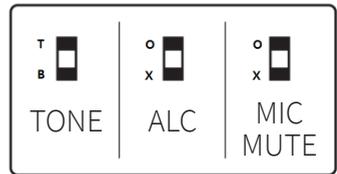

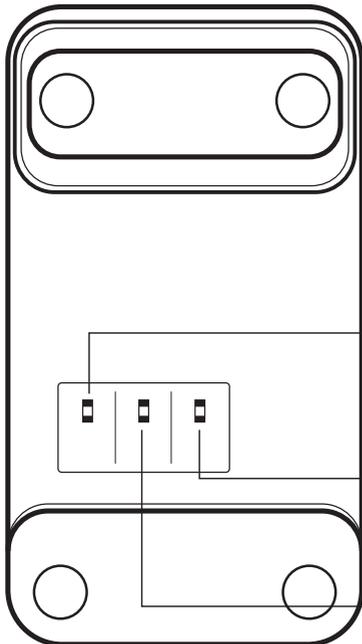

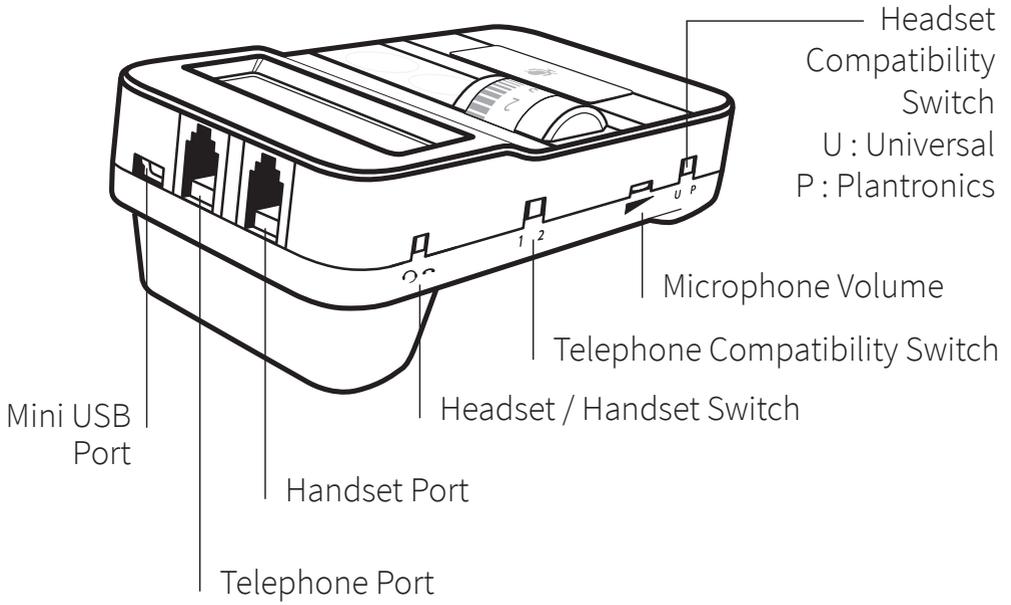

USER MANUAL

1. Product Overview

*BL-01+P QD Bottom Lead
(connects to headset)

*To be purchased separately

Tone Control
 (Treble / Bass)

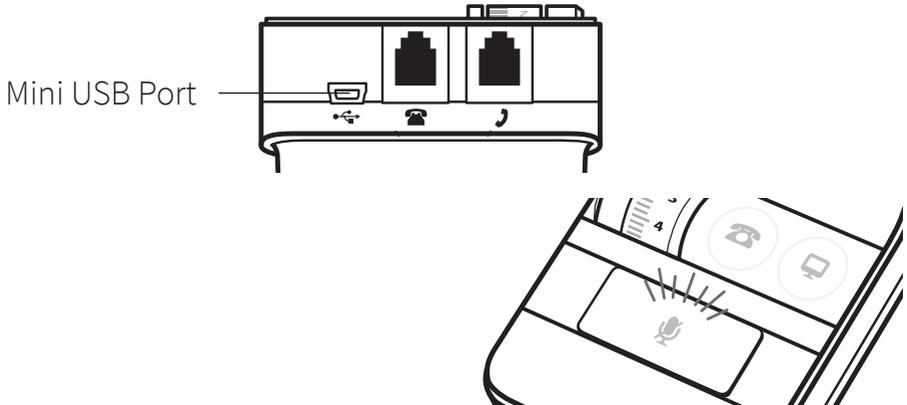

Microphone Mute
 (Supervisor)

Automatic Level
 Control Switch (ALC)

2. Connect to Power

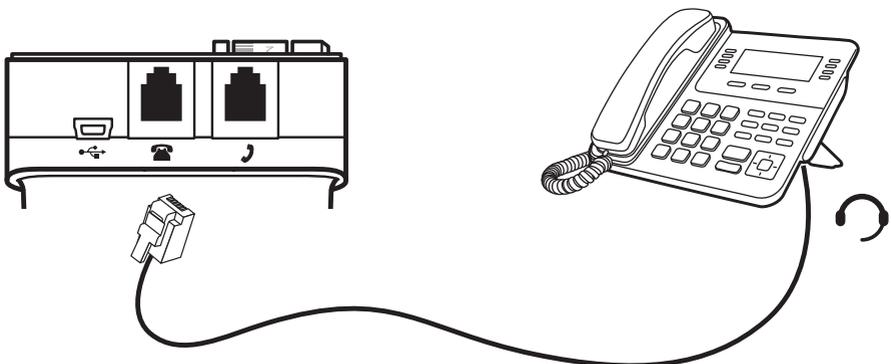

Connection to a PC is necessary to power the **JPL Companion Lite**.

Plug the mini USB cable into the mini USB port on the **JPL Companion Lite**, and connect the other end of the USB cable into the USB port on your PC. The 'mute' indicator will blink twice.

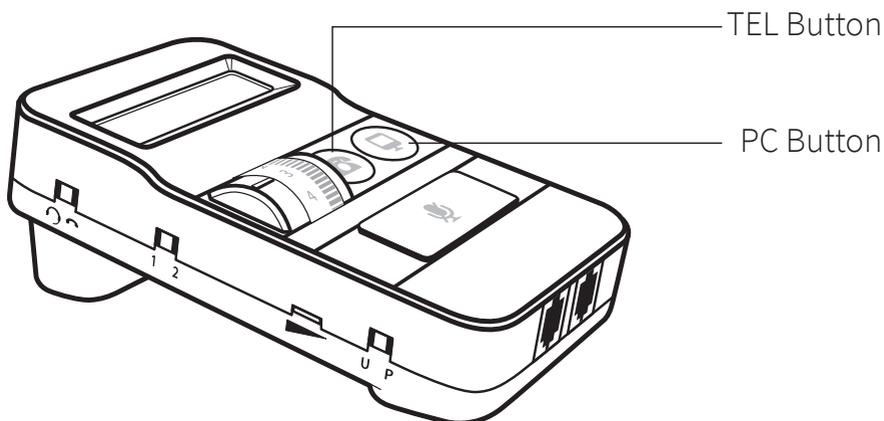

3. Connect to a Desk Phone

Make sure that the telephone cord is plugged into the telephone port on the **JPL Companion Lite**, and then connect the other end of the telephone cord into the headset port on the desk phone.

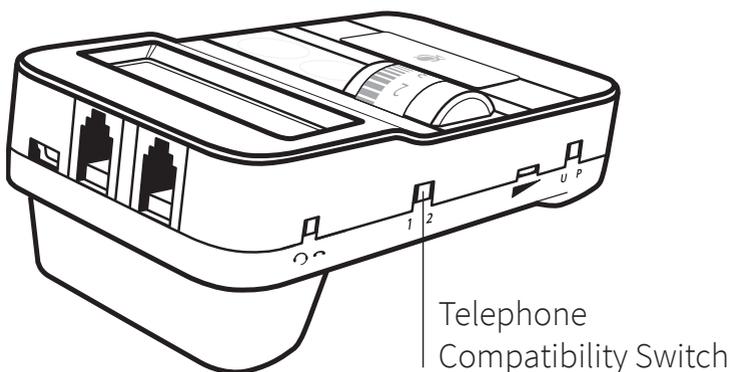

4. Operating Guide

4.2 Select either PC or desk phone (TEL) mode.

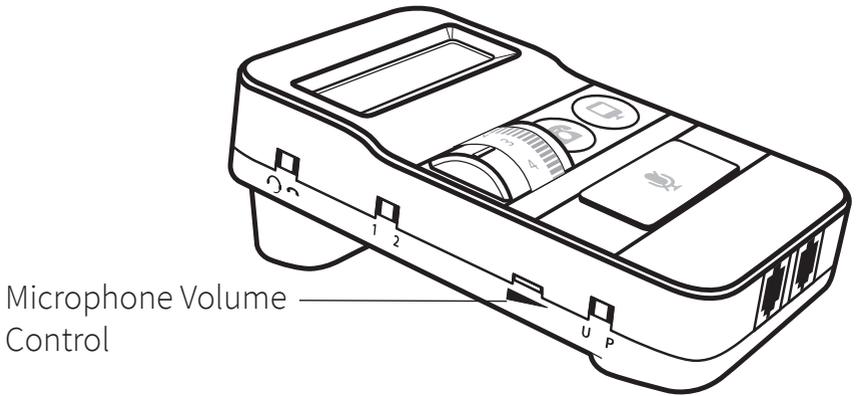

4.2 If you are using the **JPL Companion Lite** with a deskphone then you may need to adjust the telephone compatibility switch to position '1' or '2' until a dial tone can be heard on the headset.

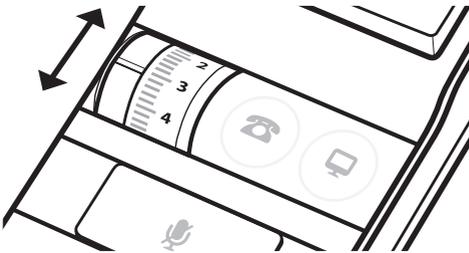

4.3 Make a test call to a colleague to test your speaking volume.

4. Operating Guide

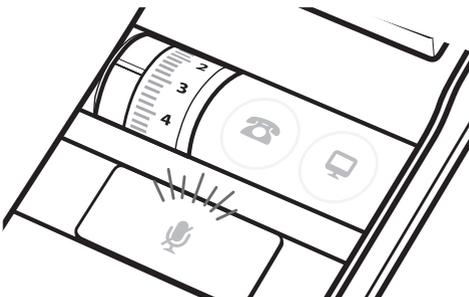

- 4.4 Adjust the microphone volume control on the side of the **JPL Companion Lite**.

- 4.4 Adjust the speaker volume on the **JPL Companion Lite** by rolling the Speaker Volume Control.

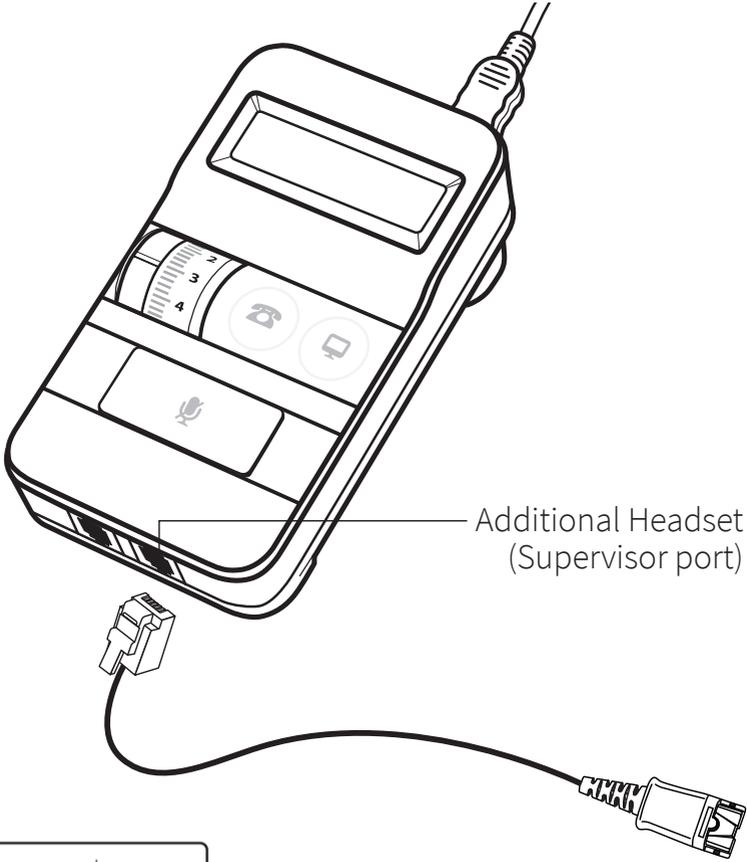

- 4.5 Press the Mute button to mute the headset microphone. The Mute indicator will be ON. To un-mute the headset microphone, press the Mute button again. The Mute indicator will go OFF.

5. Connect an additional Headset

An additional headset can be connected to the supervisor port on the unit. It has the same function as the default headset. Microphone mute switch for supervisor is located on the base of the unit.

Additional Headset
(Supervisor port)

Microphone Mute
(Supervisor)

*BL-01+P QD Bottom Lead
(connects to headset)

*To be purchased separately

WARRANTY

Your JPL Telecom product has been carefully manufactured and 100% tested using high quality assured components. It is guaranteed against faulty workmanship and materials for a period of 24 months from the date of purchase. In the unlikely event that a failure should occur, please contact the JPL Telecom dealer from which you purchased this product or visit **www.jpltele.com** and follow our product returns procedure. You will be given a RMA number and instructions on how to return your headset.

Further help can be found on-line at www.jpltele.com on our FAQs page.

Note: Removing the factory-applied warranty label on the base of the unit will void the warranty. Specifically exempt from warranty are limited-life consumable components subject to normal wear and tear. Your statutory rights under common law are in no way affected by this guarantee. The warranty does not cover cosmetic damage or damage due to misuse, abuse, negligence, acts of nature, accident, disassembling or modification of, or to any part of, the product. The warranty does not cover damage due to improper operation, maintenance or installation, or attempted repair by anyone other than JPL Telecom. Any unauthorised repairs will void this warranty.

LIMITED WARRANTY

Consequential and incidental damages, including without limitation, loss of property and those arising from breach of any express or implied warranty, are not the responsibility of JPL Telecom and to the extent permitted by law, are excluded.

In accordance with its policy of progressive product design, JPL Telecom reserves the right to change product specifications without prior notice.

Repair or replacement is at the discretion of the manufacturer.
