

AVAYA DevConnect

3 March 2022

Mr. Morgan de Ruiter
JPL Telecom Ltd.
Units 1 & 2, Church Close Business Park, Todber
Sturminster Newton, Dorset DT10 1JH
United Kingdom

Mr. de Ruiter:

Congratulations! It is with great pleasure we present your company with this Letter of Compliance for successful completion of Avaya DevConnect Compliance Testing with Avaya Inc.'s Avaya Workplace Client for Windows Release 3.23 using Avaya Aura Session Manager Release 8.1 and Avaya Aura Communication Manager Release 8.1.

Your company's JPL Gateway Software Release 2.8.9 and JPL-501s/502s mono/stereo USB-A/USB-C Headsets solution has completed testing by Avaya's DevConnect technical team and is officially recognized as compliant on 19 January 2022. The Avaya DevConnect Letter of Compliance is valid based on the stated version of each party's solution(s).

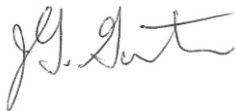

Avaya is committed to providing our customers with third party solutions that are fully compatible with the Avaya Workplace Client for Windows. By continual pursuit of product integration, we offer customers greater options and solutions to meet their communication and collaboration needs.

With this successful Compliance Testing, Avaya provides customers increased confidence in product interoperability and successful deployments of our respective products within their enterprise environment.

Please look to the Avaya DevConnect Program for continued marketing and development support of your integration activities with Avaya solutions, and to future DevConnect Compliance Testing activities.

Again, congratulations for attaining this milestone!

Regards,

Jeff Gartner
Global Managing Director, Avaya DevConnect Program
