Mr. de Ruiter:

Avaya is pleased to present your company with this Letter of Compliance for successful completion of Avaya DevConnect Compliance Testing with Avaya Inc.'s Avaya Workplace Client for Windows Release 3.25 using Avaya Aura Session Manager Release 10.1 and Avaya Aura Communication Manager Release 10.1.

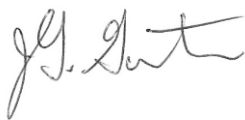

Your company's JPL Gateway Software Release 2.8.9 and JPL Commander 1 Mono and Commander 2 Stereo USB-A/C Headsets solution has completed testing by Avaya's DevConnect technical team and is officially recognized as compliant on 29 March 2022. The Avaya DevConnect Letter of Compliance is valid based on the stated version of each party's solution(s).

Avaya is committed to providing our customers with third party solutions that are fully compatible with the Avaya Workplace Client for Windows Release 3.25. By continual pursuit of product integration, we offer customers greater options and solutions to meet their communication and collaboration needs.

With this successful Compliance Testing, Avaya provides customers increased confidence in product interoperability and successful deployments of our respective products within their enterprise environment.

We look forward to continuing our relationship through future DevConnect Compliance Testing activities.

Regards,

Jeff Gartner
