

New for 2026

## Bluetooth®, Teams Compatible, DND Light - DND-1000S

**DND LIGHT**  
BY JPL

### Be Seen. Be Professional. Be Undisturbed.

The **NEW JPL DND-1000S** Bluetooth® DND (Do Not Disturb) Light designed for modern hybrid working. Works straight out of the box with **Microsoft Teams** — no complicated setup.

### Work From Home – Professionalism Starts at the Door

Home workers deserve the same professionalism as the office. Mount the JPL **DND-1000S** Bluetooth® DND Light outside your room and instantly signal your status to family and visitors.

### Office Ready – Open Plan or Private Office

Perfect for managers, team leaders, agents and executives. Whether on a call, in a meeting, or focused on work — your availability is instantly visible.

- ✓ Prevent interruptions
- ✓ Improve productivity
- ✓ Respect colleagues' time
- ✓ Create a more professional workspace

### Smart Colour Status Alerts

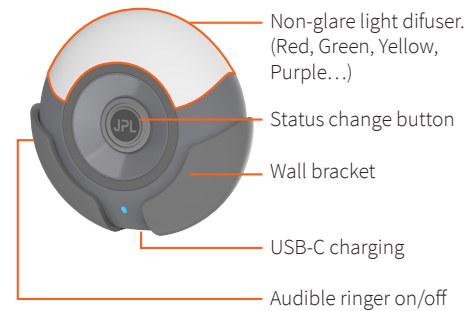

Clear, non-glare visual LED communication:

- Red – In a meeting / On a Teams call
- Orange – Missed call
- Green – Available
- Yellow – Away
- Purple – Do Not Disturb
- Blue / Pink – Custom status options

### Seamless Wireless Connectivity

- Bluetooth® 5.4 using the pre-paired USB-C Bluetooth Dongle included
- 7-9 days battery life
- USB-A/C fast charging (35 mins)
- Built-in ringer (on/off)
- Connectivity range up to ~60ft (18m)

### Flexible Mounting Options

- Universal bracket (desk/monitor mount)
- **Wall mountable** bracket with sticky pads and wall fixings incl.
- Mount outside offices, meeting rooms, or home workspaces
- Disc size: 65mm diameter | 28mm depth

Download the JPL Gateway Software to unlock the full functionality of the JPL DND-1000S.
